HUNTERS HILL SPRING GARDEN COMPETITION OPEN DAY

**RD STUCKEY WALK
NAMED AFTER HUNTERS HILL TOWN CLERK (1935-1967), ROY
DARRELL STUCKEY OBE.**

32 years as town clerk!

This pretty “cut through” links Glenview crescent to Francis st below.

The path is a charming but uneven surface of mixed materials appearing to have been cared for by various owners over the years.

Please use caution as you walk.

As you descend the stairs you will catch city and water views across a Ken Lamb Designed Japanese style garden. At the bottom of the stairs, turn right and walk along Francis st past further landscaped gardens to inspire and grand contemporary landscape works.
