

Footpath widening at Reiby Road, Hunters Hill

Safer Roads Program

September 2024

Transport for NSW acknowledges the Wallumedegal clan as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW is widening the footpath on the corner of Reiby Road and Church Street, Hunters Hill, to provide a safer road environment for pedestrians.

Background

Following a request from Hunter's Hill Council, the existing footpath waiting area will be widened by about two metres, on the corner of Reiby Road and Church Street, Hunters Hill.

The proposed improvement is designed to improve pedestrian safety especially for large groups of school students currently crossing onto the overpass during peak times.

What work are we doing?

Work includes:

- widening an existing footpath
- using machinery to cut into the road.

When and where we'll be working

For the safety of workers, pedestrians and motorists, and to minimise traffic disruption, work will take place at night for **up to five night shifts**, between **Tuesday 1 October and Friday 18 October 2024**, between **10pm to 5am**, weather and site conditions permitting.

Further notification will be provided should there be significant changes to the schedule.

What will this mean for you?

To ensure the safety of road users, temporary traffic changes will be in place.

You may notice:

- footpath closure
- detour during construction
- a work zone speed of 40 km/h
- traffic controllers and signage
- noise from machinery and equipment.

Managing our impacts

We will do our best to minimise noise.

Please follow the direction of traffic controllers and signs and keep to the speed limits.

Thank you for your cooperation while we carry out this important work.
